Tonight won't be like any night
the stars will shine and only for you tonight
tonight we'll bring the highest highs
just you and me will talk till the morning light
Tonight won't be like any night
I love to spend my loneliness by your side
Tonight

I wanna hold you tight
I wanna do it right
I wanna change your mind
I wanna hold you tight
I wanna hold you tight

Tonight won't be like any night
the stars will shine and only for you tonight
tonight we'll bring the highest highs
just you and me will talk till the morning light
tonight won't be like any night
I love to spend my loneliness by your side

Tonight
I wanna hold you tight
I wanna do it right
I wanna change your mind
I wanna hold you tight
I wanna hold you tight

Tonight

Tonight won't be like any night
the stars will shine and only for you tonight
tonight we'll bring the highest highs
just you and me will talk till the morning light
tonight

I wanna hold you tight
I wanna do it right
I wanna change your mind
I wanna hold you tight
I wanna hold you tight
