I may be your forgotten son
who wandered off at twenty one
it's sad to find myself at home

oh ma.

If I could only hold your hand
and say I'm sorry yes I am
I'm sure you really understand

oh

Ma

where are you now.

Oh

Mamy

oh

Mamy - Mamy - blue

oh

Mamy - Blue

The house we shared upon the hill
seems lifeless but it's standing still
and memories of childhood days

fill my mind

oh Mamy

Mamy

Mamy.

I've seen enough of different lights
seen tired days and lonely nights
and now without you by my side

I'm lost

how can I survive.

Oh

Mamy...

Nobody who takes care of me
who loves me
who has time for me
the walls look silent at my face
oh
Ma
so dead is our place.

The sky is dark
the wind is rough
and now I know what I have lost
the house is not a home at all
I'm leaving
the future seems so small.
