White boy when the morning
to my lonely song and to sing to myself how'd a
white boy get the blues
I got no money, all the family's gone, I got nobody, I'm
all alone
Just sing to myself, how'd a white boy get the blues
Singing sha la la la, la la, sha la la la, la la, sha la la la,
sha la la la,
How'd a white boy get the blues

I got no money, all my family's gone, got nobody, live
to carry on
I just sing to myself, how'd a white boy get the blues
Well I sing to myself, how'd a white boy get the blues
Well I sing to myself, how'd a white boy get the blues,
yeah.
