[intro: lady raw]

Niggas, where my thug niggas?  
Where my real niggas?  
Where them real niggas?

[chorus: lady raw]

I like to ride it, ride it  
You like my body, body  
You wanna lick it, lick it  
Stop, tongue and play wit it  
Lay me on my back, don't stop, get it, hit it  
Dig it, pull out the hair, throw it up  
I like it rough, throw me on the floor, daddy  
Aow, tear it up

[lady raw]

You wanna lick me up, lick me down  
Lick down, get down, all around  
I like the big big boys, with the big big toys  
Hit a rhyme, make a whole lotta noise  
And ah, whip cream in the whippin 'a  
Handcuffin ya, no touchin her  
You got to work it out, only with the mouth  
Make it bounce to the south, scream my name out loud  
Reach the floor, only raw, allow stick the tongue out  
Got 'em open, got 'em all turned out  
I like it rough nigga, tear the club up  
Grab my hair and throw it up, while you diggin the gut  
I be squeezin ya butt, I like to ride  
Throw my shit from side to side, to get 'em open wide  
wide  
'cause I just wanna...

[chorus]

[lady raw]

Phat flows, phat doughs, phat clothes, whoa, look at  
'em stare  
Wit they mouth open, when I brake it down, and shake  
it around  
And open they keep scopin, hoppin to hop in the rizzo  
Only if you go down low, lick the twat, like you do in the

watch  
If not, get no hot botch, you got a 4 inch dick, gettin no  
props  
I like cocks hard like rockwilder  
Spread my knees on the floor and make me holler  
Where my niggas with the cash dollars  
Like to trick, I like to lick, take ya dick  
Can you put your hands on it, lighten suck  
Scrawn him up, half tilted, push the 5  
And stay gettin high, why, 'cause I just wanna lick it

[chorus 2x]

[lady raw]  
Iceberg in a icener  
Doorag in the pants, nigga  
All my bitches scream "aow", if you like them hard  
niggas  
Two five and a nine milla, jaguo' and a benzo  
All my bitches scream "aow", if you like the money  
getters  
Six pack and an eight pecker, corn braids in the  
reasoner  
All my bitches scream "aow", if you like them thug  
niggas  
Chocolate in the butter love, honey in the strawberry  
All my bitches scream "aow", if you like them freaky  
niggas  
Stickin they tongue out, got 'em open, got 'em all  
turned out  
Yeah I like to rough nigga, tear the club up  
Grab my hair and throw it up, while you diggin the gut  
I be squeezin ya butt, I like to ride  
Throw my shit from side to side, to get 'em open wide  
wide  
Why? 'cause I just wanna...

[chorus 2x]

[outro: lady raw]  
Aow, tear it up  
Aow, tear it up  
Aow, tear it up  
All my freak niggas  
Oh, tear it up

All my thug niggas, wit they ass attention with this  
Tear it up
