I hear a new boy came to town  
And now your baby ain't nowhere around, yeah  
Now you think you're in despair  
You feel that still the cold light's clinging in the air,  
yeah

(Chorus)

Love's a game you're in it  
And you were so proud of it  
Someone you can't depend on  
Someone you can't rely on  
No matter what you say  
She won't come  
Running back to your arms  
It's all over baby  
Well, don't do no good to cry, yeah yeah yeah

How you think I'm over you  
You left me there you never said a word except that  
we're through, yeah  
You didn't fight it all the way  
Oh I don't care you just don't mean that much to me  
this way, yeah

(Chorus X 2)
