She'll never be prom queen ever since they saw that
magazine
And it didn't do much good for your reputation
You can tell them all to go to hell, the second you hear
the last bell
Nobody's gonna give a damn, come graduation time

One mistake is not goin all the way
Let's show them we're here to stay... hey

Let's get hooked up,
We'll get serious
We'll get messed around,
Fuckin delirious
You take a chance on me,
I'll take a chance on you
Let's do the wrong thing now,
Before we stop and think it through

Leave it up to you it's cool, cause I know you like skippin
school
You really don't wanna go to your recital
Favorite song is Rebel Yell,
Ask you why but you won't tell
Think you've got a crush on Mr. William Idol himself

One mistake we'll make is not going fast enough
Let's go before the going gets tough... tough

Let's get hooked up,
We'll get serious
We'll get messed around,
Fuckin delirious
You take a chance on me,
I'll take a chance on you
Let's do the wrong thing now,
Before we stop and think it through

Let's get hooked up,
We'll get serious
We'll get messed around,
Fuckin delirious

You take a chance on me,
I'll take a chance on you
Let's do the wrong thing now,
Before we stop and think it through

Let's get hooked up,
We'll get serious
We'll get messed around,
Fuckin delirious
You take a chance on me,
I'll take a chance on you
Let's do the wrong thing now,
Before we stop and think it through
