No complaint what'soever  
I'm your Johnny on the spot  
Spitting out words and orders  
Aiming at my persona  
So what now? I'm your scapegoat  
Point your finger at my task

Although paid I'm a slave  
Freedom is there I spring to grasp  
Come again didn't get that  
Who the fuck do you think I am  
Time's elapsed  
Trance is over  
Now I'm out to quit

I am out to quit!

Dreams and want come together  
Now I'm out to find a job  
No complaint what'soever  
I'm your Johnny on the spot

So whatever holds tomorrow  
I think I'm going down  
A good for nothing villain  
Who tries to understand  
I'd rather roam free  
I'd rather learn new things  
I ain't getting no younger  
Get up just leave

EEAH! EEAH! (ia, ia)
