God blessed some folks with music, and what a holy art, then the devil seen us empty our souls and damned the songs in our hearts, we go through life- just like it was planned, always wondering who we are- blessed or damned..Verse 2) I read about a singer-who took home all the awards, I guess he's one of the chosen few-that's his reward, but there's a troubadour in a beer joint-and he's singing to empty chairs and his empty can, no it aint hard to figure out-who's blessed or damned..chorus) And I hope heaven has a place, for those of us-who lost our way, and I pray he'll understand and bless the damned..Instrumental)Chorus) And I hope heaven has a place, for those of us-who lost our way, and I pray he'll understand-and bless the damned..Tag)and I pray he'll understand-and bless the damned.....
