You left me, I left too  
I went right out of my head  
The old boy they all knew  
They all knew was pretty much dead

You know, they say I went crazy  
And by "crazy" I mean mentally insane  
I had a world where I still had you  
Oh I wish I was crazy again

(Chorus)  
Crazy again, crazy in love  
Ignorantly bliss baby  
That's what dreams are made of  
There was no hurtin'  
I lived life without pain  
You'd still be in my arms baby  
If I was crazy again

I guess what I miss is  
The not missin' you most  
That feeling on oneness  
That every one of us should know

When the hours were ours  
And I sit talkin' to the wind  
And your soul danced with my soul  
Oh I wish I was crazy again

(Chorus)
