It's been through hell and back
Been broke showin' cracks
But it's yours, my heart is yours

It's been a while since it had to feel
Love shy and newly healed
But it's yours, my heart is yours

(Bridge)

Let's take it easy, it's easy to see girl
It still ain't that strong
It's barely beaten from being so beaten
For so long

It's been through hell and back
Been broken, showin' cracks
But it's yours, my heart is yours

(Instrumental)

(Bridge)

Let's take it easy, it's easy to see girl
It still ain't that strong
It's barely beaten from being so beaten
For so long

It's been through hell and back
Been broken, showin' cracks
But it's yours, my heart is yours
Baby it's yours, my heart is yours
