Touch my heart, feel the hurt - it's destroying me  
I've tried but I can't seem the shake her memory  
Touch my heart, feel the hurt - the pain and misery  
And tell me again what love can do for me.

If you lived in my world awhile  
You'd soon forget how to smile  
In my world there's a million ways to cry  
If you had my eyes, you could see  
How someone changed my destiny  
I'm a man who can't live and yet can't die.

Touch my heart, feel the hurt - it's destroying me  
I've tried but I can't seem the shake her memory  
Touch my heart, feel the hurt - the pain and misery  
And tell me again what love can do for me.

Touch my heart, feel the hurt - it's destroying me  
I've tried but I can't seem the shake her memory  
Touch my heart, feel the hurt - the pain and misery  
And tell me again what love can do for me
