Till death do us part is what you promised
Richer and poorer, through thick and thin
But vows are only vows to one who's honest
And being true to yourself, you've never been

(Chorus:)

Cuz you lie
How can I believe a single word you say
Cuz you lie
They should put you in a liars hall of fame

(Steel/guitar/fiddle solos)

You said you'd be at your mothers with the baby
But when I called your mother said you never showed
When I asked you about it you got mad and called me
crazy
That's ok I don't think I really want to know.

(Chorus:)

Cuz you lie
How can I believe a single word you say
Cuz you lie
They should put you in a liars hall of fame
