His steely skin is covered  
By centuries of dust  
Once he was a great one  
Now he's dull and rust

An oily tear he's crying  
Can you feel the pain  
Of the sad, sad robot  
And it's driving him insane

He can't turn back time nor history  
So his life became a misery  
He has to face the destiny  
Nobody cares anymore

Sad, sad robot (3x)  
All alone

He's a sad, sad robot (3x)  
He's so alone

Me steely skin is covered  
By centuries of dust  
Once me was a great one  
But now I'm dull and rust

An oily tear I'm crying  
Can you feel me pain  
I'm the sad, sad robot  
Driving me insane

I can't turn back time nor history  
So me life became a misery  
I have to face me destiny  
That I'm all on me own

Sad, sad robot  
I'm a sad, sad robot (2x)  
All alone

Oh, I'm a sad, sad robot  
I'm a sad, sad robot (2x)

I'm all alone

Sad, sad robot (3x)

All alone

You're a sad, sad robot (3x)

You're so alone

Red, red robot

I'm a red, red robot (2x)

And so I shall return

I'm a red, red robot (3x)

So I shall return
