Venous stasis fey terminus
Lugubrious everpuce perforate / disseminate
Polymouth clotting foul exsanguinate
Psyphonetaneous secrete

Caulk of swarth... scary.

Sprawling strictures slither
Seeping lumen antegrade

Victuals sinner qua non
Sentient fathomless appendages dredge

En masse thee enclave ensorcelle
Immure thee impurity
Thee lowly cadre
Be as our gruel

Writhing coagulant cordon
Intravenous fraying vacument

In vain they shall not be
In vain they shall not be
