VERSE 1:

I never thought,
That one day you'd be come a part of my life
Still you were always with me
When I lay my head down at night
Could you really be here with me
And has my wish come true tonight

CHORUS:

'cause now, now it seems
I'm wide awake in this dream
And I'd do, I'd do anything
To stay here forever
And if this is a dream
Im not going to wake up
But if im awake i wont close my eyes again

Yeah-yeah

VERSE 2:

Though it feels like im flying
Im sure my feet are still on the ground
Open my eyes, and it's amazing
How my world has changed when i look around
And it's like I've found the road straight to heaven and
This road has lead me right here to you

Chorus:

'cause now, now it seems
I'm wide awake in this dream
And I'd do, I'd do anything
To stay here forever
And if this is a dream
Im not going to wake up
But if im awake i wont close my eyes again

BRIDGE:

Everything I'll ever need,
Is standing right in front of me
You've given more than I've ever asked of you
Now all I can do
Is give forever to you

'cause now, now it seems
Im wide awake in this dream

Chorus:

'cause now, now it seems
I'm wide awake in this dream
And I'd do, I'd do anything
To stay here forever
And if this is a dream
Im not going to wake up
But if im awake i wont close my eyes again
