Blue moon of Kentucky keep on shining
Shine on the one that's gone and proved untrue
Blue moon of Kentucky keep on shining
Shine on the one that's gone and left me blue.

It was on the moonlight night the stars were shining
bright
When she whispered on high your love has said
goodbye
Blue moon of Kentucky keep on shining
Shine on the one that's gone and said goodbye.

--- Instrumental ---

It was on the moonlight night the stars were shining
bright
When she whispered on high your love has said
goodbye
Blue moon of Kentucky keep on shining
Shine on the one that's gone and said goodbye...
