Oh, somewhere the music's playin' soft and low  
And a stranger holds the one that I love so  
I was blind I couldn't see that you meant the world to  
me  
And like a fool I stood and watched you go.

Now I'm crying my heart out over you  
Those blue eyes now they smile at someone new  
Ever since you went away I die a little more each day  
While I'm crying my heart out over you.

--- Instrumental ---

Each night I climb the stairs up to my room  
It seems I hear you whisper in the gloom  
I miss your picture on the wall and your footsteps in the  
hall  
While I'm crying my heart out over you.

Now I'm crying my heart out over you  
Those blue eyes now they smile at someone new  
Ever since you went away I die a little more each day  
While I'm crying my heart out over you...
