Think I'll go across the ocean if I don't lose my notion
I just got to forget you if I can
Well I'm feelin' so blue I don't know what to do
Because I'm head over heels in love with you.

Every day I'm sad and lonely cause I'm thinkin' of you
only
I just can't bear the thought of losin' you
Well I'm feelin' so blue I don't know what to do
Because I'm head over heels in love with you.

--- Instrumental ---

Yes, my nights are always dreary all I do is sit and
worry
I just can't bear the thought of losin' you
Well I'm feelin' so blue I don't know what to do
Because I'm head over heels in love with you.

Oh, I'd like to be forgiven but this life just ain't worth
livin'
If I had to sit and worry over you
Well, I'm feelin' so blue I don't know what to do
Because I'm head over heels in love with you.

Because I'm head over heels in love with you.
Because I'm head over heels in love with you...
