Tonight I'm sad my heart is weary
Wondering if I'm wrong or right
To dream about you though you've left me
I wonder where you are tonight.

The rain is cold and slowly fallin'
Upon my window pane tonight
And though your love was even colder
I wonder where you are tonight.

--- Instrumental ---

Your heart was cold you never loved me
Though you often said you cared
And now you've gone to find another someone
Who'll know the love I'll share.

The rain is cold and slowly fallin'
Upon my window pane tonight
And though your love was even colder
I wonder where you are tonight...
