Come down, come down from your ivory tower
Let love come into your heart
Don't lock yourself in your ivory tower
Don't keep us so far apart.

I love you, I love you
Are you too far above me to hear
Come down, come down from your ivory tower
You'll find true love has it's charm
It's cold, so cold in your ivory tower
But warm, so warm in my arms.

I love you, I love you
Are you too far above me to hear
Come down, come down from your ivory tower
You'll find true love has it's charm
It's cold, so cold in your ivory tower
But warm, so warm in my arms...
