There's a picture that I carry one we made some time ago

When they ask who's in the picture with me I say just someone I used to know

Just someone I used to spend some time with just a flame that's lost its glow

But I don't tell them of the nights I cried without you

I say just someone I used to know

Just someone I used to run around with just a friend from long ago

I don't tell them how lost I am without you

I say just someone I used to know I say just someone I used to know
