Something's wrong.
Something that they told me.
Someone owes me.
We'll make them pay you'll see.
The opportunities you steal from me.
Adds to my list of adversaries.
I told you no.
Burning alive as they watch me.
Dance me around and let the blood pour.
Down my feet, I wouldn't lie to you.

It makes me sick it makes me.
Stronger, weightless, to my knees.
Catch me off guard and pelt me. to my knees.
I'm no one. you could have backed up and showed me.
your
Thoughts, how long have I wanted this for you.
So you will forget this.
Is too hard.
