Here we go again
Here we go again
Here we go again
Here we go again

Well I'm out to have a real good time
And now you want try to fling me
But friends of yours are friends of mine
Do don't be tryin to pling me
You don't have nothing good to say
The words will be withholding
The kinds of games a girl will play
Just like mother told me, so

CHORUS

Here we go
Going through the same thing
Here we go again
Here we go
Don't wanna play the same game

Now this aint the time to make a scene
It doesn't matter with my homies
I know you know just what I mean
So don't just walk up phony
There's a time and there's a place
Where we can talk about it
Cuz I don't want to be disgraced
With all your screams and shouting

(Chorus)

Climb a mountain (what mountain)
Swim a sea (what sea)
See what I mean? (no)
I don't know but I don't want to get too deep
Oh oh oh...
Here we go again

(Chorus)

Now there's no need to explain

You know how I feel about you
So don't you take my words in vain
You know I can't live without you

I need some time to unwind
To try to be understanding
I hope that you have changed your mind
Instead of being so demanding

Here we go
Going through the same thing
Here we go again
Here we go
Don't wanna hear the same thing

(Chorus)

Here we go
Yo Portrait, there she goes
Here we go again
Here we go again
Here we go again
Here we go
Here we go again
Here we go
