Broken record, broken record

Sunny day at the oasis
As the roasted take their places
And the undertaker mumbles
"you're screwing it wrong..."
"you're screwing it wrong..."

Like a broken record, broken record
Like a broken record, broken record
Like a broken record, broken record
Like a broken record, broken record

Sir repetitious:
What a beauty to be needled
The new position's looking fetal
So take a letter, sayonara
We're putting you on, like a...

Broken record, broken record
Like a broken record, broken record
Like a broken record, broken record
Like a broken record, broken record, broken record
