

Portugal. The Man "Fight It"

Visit "[Fight It](#)" on MotoLyrics.com

There isn't time to tell you all you need to know
But I get as scared as any and I wish it wasn't so

And I don't like it
Any more than you do

But you'd better hold in spite of doubt
Left swinging to the right
Never lose what you found out
You can fight it if it doesn't kill you
You can fight it if you want to fight...

We're going to make a listing of all the things we don't
need
And then we will wean them slowly, all the fears we
feed

And I don't like it
Any more than you do
Not any more than you do

But you'd better hold in spite of doubt
Sense swinging out of sight
Never lose what you found out
You can fight it if it doesn't kill you
But you'd better hold in spite of doubt
Left swinging to the right
Never lose what you found out
You can fight it if it doesn't kill you
You can fight it if you want to fight...
No, no no
No, no no

I don't like it
Any more than you do
I don't like it
Any more than you do
Not any more than you do

But you'd better hold in spite of doubt
Left swinging to the right

Never lose what you found out
You can fight it if it doesn't kill you
But you'd better hold in spite of doubt
Sense swinging out of sight
Never lose what you found out
You can fight it if it doesn't kill you
You can fight it if you want to fight...
You can fight it if it doesn't kill you
You can fight it if you want to fight...
You can fight it if it doesn't kill you
You can fight it if you want to fight...
No, no no
No, no no
