Do you realize, (realize)

That you have the most (the most)

Beautiful face (beautiful face)

Do you realize, (realize)

We're floating in space

Do you realize, (realize)

That happiness makes you cry

Do you realize, (realize)

That everyone

You know

Someday

Will die

And instead of saying all of your goodbyes

Let them know you realize that life goes fast

It's hard to make the good things last

You realize the sun done go down

It's just an illusion caused by the world spinnin' round

Do you realize, Ohhhh

Ohhhh - Woaahhhh

Do you realize, (realize)

That everyone

You know

Someday

Will die

And instead of saying all of your goodbyes

Let them know you realize that life goes fast

It's hard to make the good things last

You realize the sun done go down

It's just an illusion caused by the world spinnin' round

(Realize)

Do you realize,

Do you realize,

That you have the most beautiful face

Do you realize... (realize)
