I'm killed by your surprise
Once again.
Add it to the list as
Another failure sets in.
So swallow in your pride,
Don't pretend
The vacant spot beside you
Will ever be completely filled in.
So here's in recognition for
The suitcase that you packed for me.
It's a miserable addition to
Your unexpected honesty

I wish you all the best
Now that you're on your own.
Leave this lie to rest
Now that you're all alone.
And I can't wait to see
You coming back for more,
'Cause I will always be
The one you're looking for

These are trying times,
I begin
To see this from the outside,
Not just from the place within
That's showing me the light
That's blinding,
I'm finding,
That who you are and who you were
Are not the same thing.
So here's in recognition for
The suitcase that you packed for me

I wish you all the best
Now that you're on your own.
Leave this lie to rest
Now that you're all alone.
And I can't wait to see
You coming back for more,
'Cause I will always be
The one you're looking for

Â(Repeat Chorus)
