Farewell to my friends,  
Thought I'd leave you all behind, yeah oh no.  
My time is runnin  
And I'm about to lose my mind again.

Now and then, I tremble all over  
But I will carry the load upon my shoulder,  
But I know this would all be over  
If only I could open my eyes.

Is it loneliness?  
Maybe emptiness?  
Maybe melancholy.  
Have a piece of this.

Now I see the sunlight shining through  
There's no reason to be blue, but,  
Now I know I'm going down,  
I look all around me and laugh like a clown.

Now and then, I tremble all over  
But I will carry the load upon my shoulder,  
But I know this would all be over  
If only I could open my eyes.

Is it loneliness?  
Maybe emptiness?  
Maybe melancholy.  
Have a piece of this.

Can anybody help me when I'm down?  
And anybody since I'm just a clown,  
But now I know love will stick around  
Cause I've been lost and found.

Now I see the sunlight shining through  
There's no reason to be blue, but,  
Now I know I'm going down,  
I look all around me, no I won't frown.

Now and then, I tremble all over  
But I will carry the load upon my shoulder,

But I know this would all be over  
As soon as I open my eyes.

No more loneliness.  
No more emptiness.  
No more melancholy, baby.  
Have a piece of this.
