When the music starts to play  
It makes the troubles go away  
It makes my heartache disappear  
And I forget he isn't here  
I forget about the past  
About the dreams that didn't last  
Suddenly my heart is gay  
My head is spinning like a top  
When the music starts to play Oh never, never let it  
stop

He said  
he'd call  
But he forgot  
Though I  
Loved him  
He loves me not  
So what  
I will do as they say  
Dance my troubles away

~Musique~

I loved  
A boy  
But he is gone  
The joys  
That I  
Counted upon  
He's gone  
So I do as they say  
Dance my troubles away

When the music starts to play  
It makes the troubles go away  
Trouble, trouble go away  
And never come another day  
It makes the heartaches disappear  
And I forget he isn't here  
The magic in the atmosphere  
Makes me forget he isn't here

I forget about the past  
About the dreams that didn't last  
About the words of love he spoke  
About the promises he broke  
About the other girl he found  
And as I'm dancing round and round  
Suddenly my heart is gay  
My head is spinning like a top  
When the music starts to play  
Oh never, never let it stop.
