Come prima for the first time I'm in love
For the first time, for the first time I've found happiness
From the moment I saw you I was enraptured
Every moment after that I live in the clouds

Come prima for the first time I can thrill
Come prima I love you and always will
You're the first one, yes the first one
You're my one and only one
Come prima for the first time I'm in love

La notte come allora magica scende
La luna splende e tu sei qui
Mi sembra di mi sento un po' confusa
Non so capire e ti so dire solo cos'Ã

Come prima piÃ¹ di prima t'amerÃ²
Per la vita, la mia vita ti darÃ²
Sembra un sogno rivederti acarrezzarti
Le tue mani fra le mie mani stringere ancor'

Come prima for the first time I can thrill
Come prima I love you and always will
You're the first one, yes the first one
You're my one and only one
Come prima
For the first time
Come prima
I'm in love
