Just give me a wish
Ill make all your dreams come true
Ive run out of things to do
And Id like to spend my time on you

Just give me a chance
Ill let all your feelings free
Ive run out of things to be
Would you like to spend more time with me?

Yeah Yeahs

Just give me a day
I know that its not much time
Ive run out of things to find
And Id like to say that you are mine

Just give me some time
Youll never feel the same
Ive run out of things to blame
Would you like to try and play this game?

Yeah Yeahs
Cuz my heart is beating every time that I see you
A reason my head is all out of control
And I know and I know and I know and I know
This is so great that its got to be so

Just give me a wish
Just give me a chance
Just give me a day

Cuz my heart is beating every time that I see you
A reason my head is all out of control
And I know and I know and I know and I know
This is so great that its got to be so

Cuz my heart is beating every time that I see you
A reason my head is all out of control
And I know and I know and I know and I know
This is so great that its got to be so
