Nature is poison Time has no end The forthcoming danger Just a part of this game

Can I be wrong with a single decision? Can I be wrong when I?m fighting to win? Can I be wrong of going this way? Nothing will change if you do what you feel!

Life is like an engine Hormons can kill Chances of a lifetime Expose the way that we go

Does it make sense to be ambitious? Should I be proud if I carry the day? Can I be wrong of going this way? Nothing will change if you do what you feel!
