Its been a hard year
Since you went away
No matter what I did or said
I couldn't make you stay
But I'm gonna be strong
I'm gonna hold on
I'm gonna get on with my life
Starting tonight, I'm gonna kiss the past goodbye
Cause I'm gonna burn down your memories
Right down to the ground
Picture by picture
Letter by letter
I'll watch 'em all burn down
Watch those good and bad times
Disappear into the sky
Tonight I'm gonna let your memories fly
Since that screen door slammed
You've been gone without a trace
And for the first time in my life
My heart felt out of place
But I'm gonna be strong
I'm gonna hold on
I'm get on with my life
Starting tonight I'm gonna kiss the past goodbye
Cause I'm gonna burn down your memories
Right down to the ground
Picture by picture
Letter by letter
I'll watch 'em all burn down
Watch those good and bad times
Disappear into the sky
Tonight I'm gonna let your memories fly
Cause I'm gonna burn down your memories
Right down to the ground
Picture by picture
Letter by letter
I'll watch 'em all burn down
Watch those good and bad times
Disappear into the sky
Tonight I'm gonna let your memories fly
Woah tonight I'll let your memories fly

Fly, just a little bit higher
Fly, right off into the sky
Fly, just a little bit higher
Fly, right off into the sky
