

## **Poverty's No Crime "Inner Space"**

Look inside your inner space  
See, there are so many ways

I'm creeping in my mind  
To see what I can find

I come across my sins  
See, it's like a wheel which spins

I try to wipe them out  
Devour me with their mouth

Darkness  
descends my mind  
Surrounds all I find  
Feels like I'm blind  
Can't read the signs  
Pain  
I become insane  
I feel it's there  
Creeping everywhere  
Let me out

Spoken verse:  
Awaken the forces of the inner space

You cannot leave the depths of mind  
Depraved thoughts coming up your memory  
See the determination of your life

You're on the ride  
Through your inner space  
I will show you everything  
To understand your being

Now I leave this place of doom  
Too late, I know I've lost my pool

Another station waits  
I know I have to stay

I stay forever here

No, there's more I can bear

I'm feeling pretty well

Am I already dead?
