Rainy day, a sky as grey as the sea  
Sittin' here  
Waitin' for you to call me  
Home alone as lonely as I wanted to be  
But loneliness is not the only thing that I need  
Ask myself what's going wrong  
Just don't know where I belong  
Never again  
I wouldn't ever do it again  
Never again  
I wouldn't ever do it the same way  
Not another chance for me  
To live my life again  
But I think it is alright

All the things I didn't say  
Always took the wrong way  
Now I have to pay  
I see my face starrin' at me off the wall  
I see my friends tryin' to catch my fall  
Ask myself what's going wrong  
Just don't know where I belong  
Never again  
I wouldn't ever do it again  
Never again  
I wouldn't ever do it the same way  
But in the end they couldn't help me at all  
And no one's there to listen my call
