I don't wanna wear red
I just wanna be a big rock star instead
I don't wanna be digging a ditch in the middle of hell
And get a bullet through my head

I don't wanna wear red
I don't wanna wear red

I lived and died in '64
A faceless soldier in the war
No I'm a woman not a man
But here I stand

I don't wanna wear red
I just wanna be a big rock star instead
I don't wanna be digging a ditch in the middle of hell
And get a bullet through my head

I don't wanna wear red
I don't wanna wear red

I wake up screamin' (screamin')
from past life dreamin' (dreamin')
Now what a senseless waste of time
Are we out of our minds?

I don't wanna wear red
I just wanna be a big rock star instead
I don't wanna be digging a ditch in the middle of hell
And get a bullet through my head

I don't wanna wear red
I don't wanna, I don't wanna wear red

I wake up screamin (screamin')
from past life dreaming (dreamin')
Now what a senseless waste of time
Are we out of our minds?

I don't wanna wear red
I just wanna be a big rock star instead

I don't wanna be digging a ditch in the middle of hell
And get a bullet through my head

I don't wanna wear red (repeat 4x)
