Doing It Right (On The Wrong Side Of Town)

Doing it right, doing it right,
Doing it right, doing it right,
The blues band's cookin and the drummers burnin
down,
Doin it right on the wrong side of town!

I know a place on the wrong side of town,
Where the blues bands cookin and they're getting on
down,
Sax man plays like his souls on fire,
Movin like a rumour on a telephone wire,
Rev up the chevy, put your gas foot down,
Doin it right on the wrong side of town!

Doin it right, doin it right,
Doin it right, doin it right
The blues bands cookin, and the drummers burnin
down,
Doin it right on the wrong side of town!

Ain't no future datin magazine girls,
Take me to the club with the hot blooded thrills,
No time for tears, trouble or sorrow,
We're gonna boogie woogie like theres no tomorrow,
Turn up the tunes, put your magazine down,
Doin it right on the wrong side of town!
(solo)

Doin it right on the wrong side of town!

I know a place on the wrong side of town,
Where the blues bands cookin and they're getting on
down,
Sax man plays like his souls on fire,
Movin like a rumour on a telephone wire,
Rev up the chevy, put your gas foot down,
Doin it right on the wrong side of town!

Doin it right, doin it right
Doin it right, doin it right

The blues bands cookin and the drummers burnin
down
Doin it right on the wrong side of town!!!
