It's all just a lie
Just a front that you buy
I question why?
But when I see you cry
And then I laugh till it hurts
And the moon above the earth
Hold my arms up high
And I see you
Fuck that guy
I HATE YOU
DON'T YOU TRY TO TOUCH ME
WITH YOUR DIRTY HANDS
YOU FUCKIN' TRY TO RAPE ME
LEAVE I'M TIRED OF BLEEDING
WHEN I SEE YOU SMILING
NOW IT'S TIME TO GET YOURS
END THIS CHARADE
Nothing has changed
I still deny your pain
But I open my ears
Just to hear the change
Think I led you with me
Down a world gone mad
Who the hell do you think
We've been laughing at
HERE IS YOUR PERFECT DREAM
HERE IS YOUR PERFECT SONG
HERE IS YOUR PERFECT LIE
IT'S SO FUCKIN' WRONG
HERE IS THE OTHER SIDE
HERE IS YOUR DRUNK ASS LIE
HERE IS THE SHARPEST KNIFE
NOW GO AWAY UNTIL YOU DIE
