Bring up something different  
Bring us a new sin  
Watch where you walk though  
That's where the mans been  
Wipe off those smiles  
Please try again  
Conclusion hypnotized  
Release the men  
Pre-Chorus  
Go down, down, up and down  
Color the circle  
Come save some lives  
Watch where you walk though  
Most people die  
Wipe off those smiles  
Gather some friends  
It's time to go  
Release the men  
Pre-Chorus  
Go down, up and down  
Chorus  
Straight from the seedling of the last illusion  
Looking quite nice but say goodbye, goodbye  
The difference lies within the mass confusion  
So all aboard and say goodbye, goodbye  
So all aboard and say goodbye, goodbye  
So all aboard  
Bring up something different  
(goodbye)  
Bring us a new sin  
(goodbye)  
Watch where you walk though  
That's where the mans been  
Wipe off those smiles  
Please try again  
Conclusion hypnotized  
Release the men  
Pre-Chorus  
Go down, up and down  
Chorus  
Straight from the seedling of the last illusion  
Looking quite nice but say goodbye, goodbye

The difference lies within the mass confusion  
So all aboard and say goodbye, GOODBYE
