Have you gotten any further  
towards something better  
or maybe something worse

Do you open any wider  
or listen any deeper  
or maybe just a little more

On and on we colide  
when I fall I bet you hide  
On and on we colide  
when I fall I bet you hide

Did you find a new religion  
does it help you sleep at night  
or maybe someone saved you  
well does that make you right

on and on...

Why do, why do, why do you  
Fight me, fight me, fight me like you do
