Push me right over
And hold me down under the waves
If I'm out breath maybe
I'll recognise my mistakes
Coz nothing I've done yeah
Is worthy of showing to you
It's just meaningless bullshit
And promises all there to you

Coz I need
Somewhere
To begin
Somebody gotta let me in

Colour me with red and gold
Your sweet love has blessed my soul
Colour me with red and gold
Come bless my soul

Well I left the thunder
And rain of my past all behind
When I'm looking back there's
A shadow that falls over my time
Coz nobody knows just
What happened to me there in Spain
Life has turned me right over
And left me to be ever changed

I need
Somewhere
To begin
Somebody gotta let me in

Colour me with red and gold
Your sweet love has blessed my soul
Colour me with red and gold
Come bless my soul

Won't you come back and bless
Won't you come back and bless
Won't you come back and bless

(oh love bless my soul)
Your sweet love
(oh love bless my soul)
Won't you come back and bless
(oh love bless my soul)
Come back and bless
(oh love bless my soul)
Won't you come back and bless
(oh love bless my soul)
