I can?t get out of my head
Dreams are stuck in my bed
I won?t get out

The temperature is too low
There?s no place I want to go
I won?t get out

I wake up in a daze
I wake up in a daze
It?s like every other day
It?s like every other day
And I can?t get out of this space
It?s like every other day
can?t get out of this space
it?s like every other day

The dream I had felt so real
I don?t know quite how I feel
It?s unresolved

The only thing that I need
Is to fall back into my sleep
And stay back there

I wake up in a daze
I wake up in a daze
It?s like every other day
It?s like every other day
And I can?t get out of this space
It?s like every other day
can?t get out of this space
it?s like every other day

If it comes down to
If it comes down to this
I?ll stay.....right here
