"Leaving A Space"

They say that I, I am afraid
to stand without a life line

They say that I am blind
There?s only love and fear
I try so hard to be right
leaving a space down here

Don?t know how long
it takes to believe
and stand without a lifeline

Just breathe no name
a life with no deal
And I?m supposed to feel fine

They say that I am blind
There?s only love and fear
I try so hard to be right
leaving a space down here

(Standing in line, soon you?ll be fine. Soon you?ll be on
your way)

They say I?m lost
dissolved in my plans
holding on to my lifeline

Don?t recognize
this dirt on my hands
There?s enough to last a lifetime

They say that I am blind
There?s only love and fear
I try so hard to be right
leaving a space down here
