Love My Way
Powderfinger

there's an army on the dance floor
it's a fashion with a gun my love
in a room without a door
a kiss is not enough in

love my way
it's a new rule
i follow
where my mind goes

they'd put us on a railroad
they'd dearly make us pay
for laughing in their faces
and making it our way
there's emptiness behind their eyes
there's dust in all their hearts
they just want to steal us all
and take us all apart

love my way
it's a new rule
i follow
where my mind goes

so swallow all your tears my love
and put on your new face
you can never win or lose
if you don't run the race
