Come in to here  
I know how you feel  
you can ask me why  
its raining outside

You lost your way  
I will read the signs  
and if it rains  
I will hide you in the night

I'll wait for you all day tomorrow  
when you come I know just how you feel  
I know just how you feel

Come in to here  
I know how you feel  
you can ask me why  
its raining outside

Dont run away  
I am here with you  
and we can fight  
all the shadows in the night

Ill wait for you....
