Silly little man, it seems you had,
A big idea in your head,
To come and conquer me.

Now I don't mean to go and wreck your day,
but ya better turn and run away,
Or there'll be a big, big price to pay..

Cuz I am the one you should fear the most..
Cuz I am the one who will take you..down.
And as long as I exist..
There's hope for the world,
Hope for the world,
Hope for the world,
Hope for the world..

So, the battle field lights your way,
It's what you want, well then okay.
Prepare to disappear.
I'm gonna crush you down till you're so small,
That a mouse will seem like stories tall.
It's what you want..good bye!

Cuz I am the one you should fear the most..
Yes, I am the one who will bring you..down.
And as long as I exist..
There's hope for the world,
Hope for the world,
Hope for the world,
Hope for the world..

Never a time, I fall apart...I must be strong.
Cuz the winners win, the losers lose.
Choose your sides...it's your move..

And I am the one you should fear the most..
Cuz I am the one who can bring you..down.
And as long as I exist..
There's hope for the world,
Hope for the world,
Hope for the world,

Hope for the world..
Hope for the world,
Hope for the world,
Hope for the world,
Hope for the world...
