Here come the Power Rangers, yeah!
Here come the Power Rangers, yeah!
Here come the Power Rangers!

Alright, let's go
It's time to turn it on
To set the record straight
We're gonna come through to right all wrongs, yeah!

Fight evil
Ranger power standing strong
We got it goin' on
Mystic Force, yeah!

Stop! Freeze! Rangers here, never need to fret
We're the ones that will make a way
Here to make a change
When there's troubles, we don't play
'Cause together we'll save the day
Let's go! Let's go! Let's go! Let's go!

Here come the Power Rangers, yeah!
Here come the Power Rangers, yeah!
Here come the Power Rangers!
Mystic Force, Go!

Here come the Power Rangers, yeah!
Here come the Power Rangers, yeah!
Here come the Power Rangers!
Go! Go! Go! Go!

Here come the Power Rangers, yeah!
Here come the Power Rangers, yeah!
Here come the Power Rangers!
Mystic Force, let's go
Yeah!
