Go, Power Rangers
Go, Ninja Storm
Let's go

They call the storm
Their force is getting strong
They'll have to brave the weather (Ninja Storm)
C'mon, stand together

The storm will grow
The water's low
Power Ranger Ninjas, Go
Power Rangers Ninja Storm
It's growing, It's growing
It's growing...

Go, Power Rangers
Go, Ninja Storm
Let's go

With the speed of the wind (Go!)
And scream like thunder
Go, Power Rangers Go, Ninja Storm
Let's go
Power Rangers Go, Ninja Storm
Let's go
Power Rangers Go, Ninja Storm
Let's go
Power Rangers Go, Ninja Storm
Let's go!
