She says your money's safe  
You needn't keep your head down  
Who's kidding who?  
Her picture's all over town

I always knew that she was on the run  
I read the paper and it said so  
I know you like them to be troublesome  
Take it to the maximum

She's a murderess, murderer  
She likes to go for the jugular  
Murderess, murderer  
That woman of yours is a killer

I heard his breath escape  
She left the gun on the floor  
He left his key with me  
I hadn't been there before

I always knew that she was on the run  
I read the paper and it said so  
I know you like them to be troublesome  
Take it to the maximum

She's a murderess, murderer  
She likes to go for the jugular  
Murderess, murderer  
That woman of yours is a killer

She says she's innocent  
She says she's your baby face  
Who's kidding who?  
Your things are in a suitcase

I always knew that she was on the run  
I read the paper and it said so  
I know you like them to be troublesome  
Take it to the maximum

She's a murderess, murderer

She likes to go for the jugular  
Murderess, murderer  
That woman of yours is a killer

She's a murderess, murderer  
She likes to go for the jugular  
Murderess, murderer  
She likes to go for the jugular

Murderess, murderer  
She likes to go for the jugular  
Murderess, murderer  
That woman of yours is a killer
