Get on, get off, get on

You only do what you gonna get
You only know what you wanna know

Not of this moment
Not without wings
Not looking (?)
Not anything

Get on, get off
Get on, get off
Get on, get off, get on
Get on, get off, get on

You only do what you gonna get
You only know what you wanna know

Not from this planet
Not of this earth
Not what your thinking
Not of this dirt

You were not thinking, while I was thinking
Your never thinking, I'm always thinking
You want everyone, to get the truth right
While you were stuck in line, while i was

You only do what you gonna get
You only know what you wanna know
You only do what you gonna get
You only know what you wanna know

Get on, get off, get on
Get on, get off, get on
Get on, get off, get on
Get on, get off, get on
